CAREER EXPERIENCE

ICT Faculty | B.K. Birla Public School / ARK Tech Innovation Kalyan,
Apr 2024 – Present

- Crafted a cutting-edge curriculum for 3D design, graphics, and coding tailored to students in grades 6-10, emphasizing problem-solving and critical thinking, core skills in aviation.
- Created a collaborative learning environment, incorporating interdisciplinary projects that promoted teamwork, creativity, and adaptability.
- Pioneered curriculum updates by staying abreast of advancements in digital and coding technologies, aligning with trends essential for the aviation industry.
- Provided individual feedback to foster continuous improvement and growth in students, applying structured assessment techniques transferable to aviation training.

Youth Facilitator | Museum of Solutions (MuSo) by JSW
Mumbai, Nov 2023 – Feb 2024

- Delivered workshops focused on interactive learning, promoting critical thinking, exploration, and innovation, essential traits in aviation roles.
- Designed and led age-appropriate programs for children aged 3-6, utilizing various strategies to engage diverse learning styles, a skill adaptable to training diverse aviation teams.
- Prioritized safety in all activities, meticulously following protocols, demonstrating a high regard for operational standards aligned with aviation safety expectations.

Art Instructor | Priyadarshini's Art & Craft Institute
Mumbai, Aug 2018 – Apr 2024

- Conducted art classes for diverse age groups with a focus on fine arts techniques, emphasizing attention to detail and creativity—attributes beneficial for technical and precision-based aviation roles.
- Developed and launched an online instructional art platform during COVID-19, showcasing adaptability and technical acumen in remote teaching, a skill relevant for aviation e-learning.
- Maintained strong communication with parents and students, building trust and fostering a supportive learning atmosphere.

Volunteer Officer, Rank - Lieutenant | Sea Cadet Corps India
Mumbai, Mar 2010 – Oct 2021

- Directed training for cadets in seamanship, navigation, and maritime skills, fostering resilience, leadership, and discipline—qualities directly transferable to aviation training.
 - Coordinated multiple international exchange programs, representing India and collaborating with global teams, highlighting my cultural adaptability and diplomatic approach.
 - Earned the **Best Contingent Leader** award for Republic Day Parade (2016), showcasing my leadership under pressure and ability to lead large teams.
-

MAJOR ACHIEVEMENTS

- **International Training Programs:** Represented India in International Training Exchange Programs (2016, 2019), fostering a global perspective and cultural adaptability.
 - **Leadership Recognition:** Awarded **Best Contingent Leader** for the Republic Day Parade at Shivaji Park, Mumbai.
 - **State-Level Sports Achievement:** Represented Rizvi College in Kho-Kho at the State Championship (Runner-Up, 2013), demonstrating teamwork, strategy, and competitive spirit.
 -
-

CORE COMPETENCIES

- **Interpersonal and Leadership Skills:** Adept at communication, team building, and conflict resolution, with a proven track record of inspiring and motivating teams.
 - **Crisis Management and Adaptability:** Calm and composed under pressure, able to assess situations and make swift, effective decisions in high-stakes environments.
 - **Technical Proficiency:** Skilled in Adobe Photoshop, Illustrator, Corel Draw, and Excel, with additional expertise in digital tools and platforms, aligning with aviation instructional design needs.
 - **Educational Strategy and Development:** Expertise in curriculum development, project-based learning, and structured assessment, applicable to training programs within aviation.
-

HOBBIES AND INTERESTS

- **Art and Sketching:** Enhances focus, patience, and visual precision—qualities valuable in aviation design and simulation tasks.
 - **Global Exploration:** Passionate about exploring new places and cultures, aligning naturally with a career in aviation and global networking.
 - **Team-Building Games:** Enjoy creating activities that foster collaboration and strategic thinking, skills beneficial in dynamic aviation team environments.
-

DECLARATION

I hereby confirm that the above information is accurate to the best of my knowledge and belief.
